HISTORY

Since 2003, Calvin Presbyterian Church, in partnership with our sister Christian church, Streams of Life in Kampala, Uganda, has helped children with school fees.

The program began after a mission trip to Streams of Life Church where we noticed that many children were at home or on the streets during the school day. We discovered that they were unable to attend school because the family could not pay the school fees. Many children were orphans who had lost one or both parents to AIDS and were living with relatives. Out of that need, a plan was developed to provide school fees for these children.

What You Can Do To Help

Each child is supported by a sponsor who pays \$225/year. As a sponsor you receive information about your child and an address where you can write if you wish. Calvin receives quarterly newsletters about the children's activities and quarterly reports on the expenditures.

Your \$225 donation to sponsor a child for a year will provide:

- School for three terms
- School Uniform
- Saturday program and meal
- Medications, if needed

Additional funds go to:

- Supplies for vocational training
- Salary for Children's Program Director
